

JAMES COMER - VOTING RECORD

The data in this section are especially relevant for individuals interested in issues pertaining to Affordable Health Care, Environment (EPA), Education, Immigration, Planned Parenthood, and Finance/Banking. **PLEASE NOTE: Not all bills** for which James Comer has voted are included. This document is, at best, a preliminary introduction to Representative Comer's perspective about several important issues at the national and state level. Consult the *VoteSmart* website for more details, and other Internet sources for additional information about contents/description of each bill. NOTE: "Yea" signifies "Yes, whereas "Nay" indicates "No."

There are two sections below. The first [A.] is James Comer's stance regarding bills having **nationwide consequence**. Section two [B.] cites the bills that are **specific to Kentucky citizens (i.e., when James Comer was in the Kentucky Legislature)**. Some bills are relevant, or possibly germane, to issues cited above.

"Political Courage Test" (*VoteSmart*) indicates that James Comer is pro-life (anti-abortion) and that he supports no increase in income tax for any income bracket in order to balance the federal budget.
